

Kwekerij De Schüllhorn

Miscellaneous Bulbs

Allium Eros

- Pinkish lilac, pointed tipped petals, form larger than average, star-shaped flowers, which top the upright stems in domed clusters (that can grow up to 10cm across)
- Several stems per bulb
- More than 50 flowers per cluster
- Gradually form a good-sized clump if undisturbed
- Size: 6/8
- Flowering time: June
- Height: 55 cm
